Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for below desertery and diarrhora. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

From Dr. J. P. Vauglas, Montreel, Canada Too much cannot be said of your Plits for the cure of contineness. If others of our flaternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multirudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are werse. I believe can be enough in the progenitor of others that are werse. It believe can be enough the progenitor of others that are werse. It believe can be enough the progenitor of others that are werse. It believe can be enough the progenitor of others that are werse.

\* And one or two large doses of your Pills, taken at the tion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

PULASKI HOUSE. Savannah. Ga., Jan. 6, 1856.
HONORED Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exerniating neurality pains, which ended in chronic sheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzle, Friedlyour Pills. Their effects were slow, but sure. By persevering in the use of them, I um now entirely well.

which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreafful consequences that frequently follow its incantions use. These Prise, 25 cents per Box, or 5 Boxes for \$1.
